

Control of Substances Hazardous to Health (COSHH)
Safety Data Sheet

Dacatie (Insulated Products)

Data sheet QP7

Issue 2/05/06

1. Company Details:

Quantum Profile Systems Ltd
Salmon Fields
Royton
Oldham
Lancashire
OL2 6JG

Tel: 0161 622 2020
Fax:0161 622 2022

2. Product Composition:

Carrier:Rigid Polyvinylchloride (PVCu)
Infill:EPS (Expanded Polystyrene Sheet)

3. Hazards Identification

No known hazards when used for the purpose intended and installed in line with manufacturers recommendations.

The use of Personal Protection Equipment (PPE) is recommended when working with the product.

This product must not be cut by any heat generating process.

4. First Aid Measures:

No special First Aid measures are required when using the product as recommended by the manufacturer.
Eyes:If dust particles enter the eye,wash with sterilised water.If symptoms persist seek medical attention.

Store in dry conditions away from sources of heat.

8. Exposure Controls/ Personal Protective Equipment

Whilst there are no Exposure limits associated with the product the use of PPE is recommended when cutting and securing the product

9. Physical and Chemical Properties:

Form:	rigid
Colour:	white
Odour:	slight odour
Solubility:	insoluble in water
Decomposition:	will decompose at temperatures above 150°C

10. Stability and Reactivity

Stable in normal use
Avoid contact with acids and oxidising agents at temperatures above 60°C
Avoid contact with Acetal Resin
If thermal decomposition of infill occurs hydrogen chloride gas will be released.

11. Toxicology

No known toxic effects

12. Ecological Information

PVC and EPS are considered to be ecologically benign.
PVC and EPS do not readily decompose when weathered or exposed to micro-organisms.

13. Disposal Considerations

If possible recycle, otherwise disposal should be in accordance with local, state, or national legislation.
Bury in an authorised landfill site or incinerate under approved controlled conditions.
Combustion will release Hydrogen Chloride.

14. Transport Information

Not classified as hazardous for transport

15. Regulatory Information

This product does not normally present a danger to human health by inhalation, ingestion or contact with the skin in the form in which it is supplied and used as recommended by the manufacturer.

16. Other Information

This safety Data Sheet has been prepared by Quantum Profile Systems Ltd on the basis of its best knowledge and on information available to date. It does not constitute a specification.

Quantum Profile Systems Ltd gives no guarantee and disclaims responsibility for individual items being incomplete or incorrect. Furthermore, Quantum Profile Systems Ltd gives no guarantee that all possible security measures are contained herein, nor gives any guarantee that additional security measures may not be required under particular or exceptional circumstances.

It is the responsibility of the user to observe national or local safety regulations-in no case can Quantum Profile Systems Ltd accept any responsibility for a failure to observe such regulations.
